

PROFILE

I am a creative individual with a breadth of design and organisational skills gained from over 10 years industry experience. I demonstrate excellent communicative skills across all levels, always striving to show enthusiasm in my working day. I'm able to work across a diverse selection of tasks whilst adhering to time constraints and budgets.

I have a proven track record working with an eclectic array of clientele, paying close attention to their brand guidelines & individual design needs. I have a fun and meticulous nature, which I convey through my projects with the focus on delivering high quality, seamless artwork.
